## More Power. Less Fumble.

No more fumbling over ports to match your devices. Automatically detects, calculates, and outputs the correct power, making any port the correct one tailored to your specific need.

## Power Up Your Everything

From smartphone to laptop, even mouse and keyboard. One For All series means lighter bags and easier life.

## Every Detail Matters

Research, design, development, testing, production. The process of engineering is what we treat as the art of craftsmanship. In your hand, is the essence of our 50-year technological expertise.

### GreenSense™
