## Mobile Desk

SDL2050

The Mobile Cart is changed your traditional desk into an free move space. The pneumatic Sit-Stand Mobile Desk Cart provides is 40cm height adjustments, which can perfectly fit for college students or office workers to work free and ergonomically whether in standing or seated position.

### Spec

Product Dim	L699 x W 640 x H 754~1154mm
Brown Box	L780 x W 660 x H 103mm
Material	Metal, MDF, Plastics
Loading Weight	40 kgs

Height Adjustment	75.4~115.4 cm
Gross Weight	18 kgs
Country of Origin	Taiwan
Warranty	1 year

## Mobile Desk Mesh

SDL2151

Enjoy the health benefits of a sit-stand desk and improve your working com-fort in a sedentary workplace. Our multi-purpose mobile laptop desk can serve as podium, learning desk or even a mobile workstation. Adjusts the height of tabletop to improve your posture, allevi-ate your back and neck pains from bad postures instantly.

## Wall Mount Charging Cabinet

Intelligent USB-C Wall Mount Charging and Sync Cabinet for Mobile Devices

- > Securing, protecting and charging up to 15 mobile devices and accommodating most of Chromebooks, laptops and tablets with up to 13" screens.
- > Individual LED light indicating charging and data synchronizing status.
- > It's easy to synchronize data for most of tablets with iOS or Android through Sync functions.

Over-Current Protection

Data Sync

### Specification

Capacity	15 Bays
Charging Type	USB-C Charging
Compatibility	≤ 13" Screen Size
Charge / Sync	V / V
Shelves Type	Fixed
Dimension (WxDxH)	20.9" x 7.1" x 35" / 530 x 180 x 890 mm

1 LED indicator for charging and sync status (each port)

2 3-point key lock

3 DC Fans

4 Data Sync / Firmware upgrade connection

5 Mixture material design in steel and plastic

6 Daisy-Chain

## DT310PS Charging Cabinet

**Intelligent USB Charging Cabinet for Tablets.**

- > Transporting, securing, protecting and charging up to 10 tablets and accommodating most of tablets with up to 10.1" screens.
- > It's easy to synchronize data for most of tablets with iOS or Android through Sync functions.
- > Providing DC 5V/2.4A power from each USB port based on USB charging standard (BC 1.2).

### Specification

Capacity	10 Bays
Charging Type	USB Charging
Compatibility	≦ 10.1" Screen Size
Charge / Sync	V / V
Shelves Type	Adjustable
Dimension (WxDxH)	15.8" x 13.8" x 16.9" / 400 x 350 x 430 mm

Optional Accessories

WALL MOUNT KIT

Protection

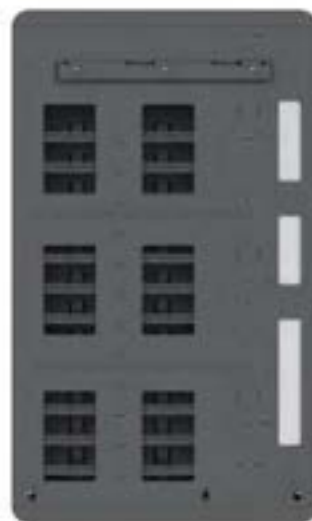

## WN112VS Wall Mount Charging Cabinet

### Modern Charging Cabinet for Mobile Devices

- > Securing, protecting and charging up to 12 mobile devices and accommodating most of Chromebooks, laptops and tablets with up to 13" screens.
- > It's an easy and convenient way to manage and install cables and AC adapters with the Cable and AC adapter Management.
- > The daisy-chain design allows users to enable up to two cabinets through a single wall outlet.

### Specification

Capacity	12 Bays
Charging Type	AC Charging
Compatibility	≤ 13" Screen Size
Charge / Sync	V / X
Shelves Type	Fixed
Dimension (WxDxH)	20.9" x 7.1" x 35" / 530 x 180 x 890 mm

# DN112HS

## Charging Cabinet

### Compact Charging Cabinet for Mobile Devices

- > Securing, protecting and charging up to 12 mobile devices and accommodating most of Chromebooks, laptops and tablets with up to 14" screens.
- > It's an easy and convenient way to manage and install cables and AC adapters with the cable management and AC adapter bracket.
- > The cabinet can provide smart charging by simply connecting an optional Smart Charging Controller (Model: TF70101).

Over-Current  
Protection

### Specification

Capacity	12 Bays
Charging Type	AC Charging
Compatibility	≤ 14" Screen Size
Charge / Sync	V / X
Shelves Type	Sliding
